Parole letter of Recommendation

I am writing this letter to recommend parole for Jerry Hamilton 91102. I have known Hamilton since he arrived at DCF max on 8/5/2008. Offender Hamilton has a some what of a high profile case from back in the 1980's. Hamilton has been incarcerated for 33 years. I have been his case manager since 2008 and during that time period, I have spoken to him numerous times about his time and crime and his plans for the future with his wife. Hamilton has always been respectful to me and other offenders. I feel Hamilton is a level headed offender who has turned his life around and changed for the better. Offender Hamilton has shown a dramatic change in his behavior, he is ready to be with his family. I honestly believe that Jerry Hamilton should be picked as a candidate for parole. He has a good home and family that support him. I feel Hamilton should be given a chance and continuously punished for his prior and younger behavior. He has grown up in this system and I feel he should be given a chance to better him self.

On a personal note, I am proud of his positive approach to better himself.

I highly recommend Jerry Hamilton 91102 for parole.

Thank you in advance,
